

Autumn 2020 Resit Information for Students, Parents and Teachers

Due to the extraordinary situation surrounding this summer's exams, Ofqual has created an autumn 2020 resit exam series which will serve as an opportunity for any students that are dissatisfied with one (or more) of their final results from this summer to 'resit' the relevant exam(s) of the particular qualification(s) in the hope of achieving a better grade. This resit exam series will cover all GCSE, AS- and A-Level qualifications from summer 2020 and the rough timeline of it is that AS- and A-Level resits will take place in October 2020 and GCSE resits will take place in November 2020. (Exact exam dates can be found on the relevant page of the relevant exam board's website.)

As such, The Corsham School will be running a limited resit exam series for those GCSE, AS- or A-Level students who have received a grade this summer and need to resit in the autumn. In order to resit a qualification in the autumn, a student should complete the relevant resit form (entitled *Resit Form for GCSE, AS- and A-Level Exams in the Autumn 2020 Resit Exam Series* which can be found on the exam office page on the school's website) and return it to the school's exams officer, Mr Morris, by the relevant deadline, listed below:

The Deadlines to Submit the Autumn 2020 Resit Form are as Follows:

AS- and A-Level Resits: Wednesday 2nd September

GCSE Resits: Wednesday 16th September

Please note that, in order to be eligible for a new overall subject grade in the autumn, a student must resit *all* of the exam units that usually make up the qualification in question. There will be no requirement to redo NEA work/coursework for the autumn exam series, with the exception of Art-based subjects (Fine Art, Photography, Textiles).

Y11 Students Who Will Be Moving on to a Nearby College for Further Study in Autumn 2020:

A Note

Any Y11 students who have moved on to a local College for further study from autumn 2020 may return to The Corsham School to resit any GCSE qualifications that they like, with the exceptions of GCSE English Language and GCSE Mathematics. JCQ's protocol for these two subjects, which The Corsham School will be following, is that **students wanting to resit GCSE English Language and/or GCSE Mathematics should resit them at their new College** (and not their old school).
