

Dear Corsham Regis Staff

I would like to take this opportunity to thank you, both on behalf of all the trustees, but also personally, for the exceptional work that you have done over the last year to support our pupils.

Speaking as both the Chair of Trustees and as a parent, the effort you have put in to ensure that the pupils engaged and kept up with their work under such challenging conditions over the spring and summer, and that the school was ready for their safe return in September, has just been incredible.

This has been a very difficult year where we have all had to learn new skills and deal with new situations and technologies in order to do our jobs. You have taken this on board and adapted extremely well to ensure that our school functions as well as possible and delivers a sound education to our students. I also appreciate the pastoral care you have provided to our students, and to each other.

We all look forward to a hopefully more “normal” 2021. I hope you have a restful and enjoyable break with your families and friends and a great Christmas and New Year.

Merry Christmas
