

Dear student

C6th Taster Day. Tuesday 19th December 2023

We hope that your PPE examinations are going well so far. We have been particularly impressed with your excellent work ethic, positive attitude and ongoing attendance during the exam period. These are characteristics that we truly value in C6th.

As we start to think about your post 16 journey after Y11, we would like to invite you to our C6th Taster Day on Tuesday 19th December 2023. This will allow you to experience the subjects you are interested in for 6th form study and also an introduction to what a day in the life of C6th is like.

Please follow [this link to complete your chosen subjects for the day](#). We appreciate that not all students may wish to continue in C6th, therefore there is an option for you to indicate what your post 16 plans may be. Those not attending should complete home study; no year 11 lessons will take place on the Taster Day.

This online subject form must be completed by Thursday 14th December.

The plan for the day is as follows.

1. Welcome from your Head of 6th form, Mr Kingscote.
2. Learn about the C6th tutor programme and the C6th contract.
3. What does effective "Independent Study" look like?
4. Find out about Core Sessions, Enrichment, Super-curricular, EPQ and Core maths.
5. Experience lessons in the subjects you have chosen.

Please arrive in school at the usual time of 8.40am and come straight to the C6th building and breakfast will be provided.

You are not expected to wear school uniform but please refer to the C6th dress code (<https://www.corsham.wilts.sch.uk/page/?title=Dress+Code&pid=46>)

We look forward to welcoming you next week.

Best wishes,

Matt Kingscote
