

Subject Grade Information Sheet – Summer Series 2021

A Chance to Shine

Subject: Art Level: A level

1) What evidence do you already have that may be used for grading?

Unit 1 Coursework started in Year 12. Project SOW has provided all students with the opportunity to access the assessment Objectives set by AQA. This involved a portfolio of evidence at the start of year 12 which was extended into their Independent projects in year 12-13.

Students have provided us with this evidence and grades have been used as a guide as they progressed following the guidance of the exam board.

This has been extended to provide further evidence of AO's set by AQA and will be completed by April 30th.

2) What "Chances to shine" are you providing to improve the evidence in 1)?

Please add them to the "Chance to Shine timetable" and describe them here, adding reference/links to revision materials recommended for each shine task.

ADDED TO TIMETABLE

Students will have the opportunity to strengthen their evidence for the AOs set by AQA exam board through tasks set by subject teachers who will make informed judgements on the individual student's needs.

They can have the time up until 7th May to provide further evidence. Suggested tasks will be given to the students individually by subject teachers on 30th April.

3) When will these be and how will you prepare students for them?

Students will be given the time to finish writing and presenting their written assignments on their own projects to provide further evidence needed for the exam Assessment Objectives. Further guidance will be issued in class and also be available on Teams on 30th April.
