THE CORSHAM6TH MUSIC TECH

super curricular activities

RESEARCH

- Research how your instrument works, how it was created and how it developed.
- Pick a piece of music you have heard and study the score.
https://imslp.org/wiki/Main_Page
- Learn how to maintain and do simple repairs on your instrument e.g. set up a guitar properly.

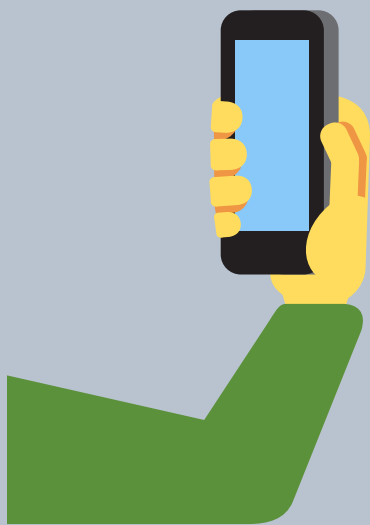

CREATE

Learn a new piece on your instrument for fun. Research a piece you like and learn to play it.
Learn the basics on a new instrument.
