After school transport problems

Faresaver X31 to Chippenham/Bath – this offers a regular service in each direction and is particularly useful for students participating in out of school activities.

For example, if a Melksham student requires bus transport for an after-school club, it is possible to take the x31 to Box, then the First D3 from Box to Melksham, alternatively the x31 to Chippenham Bus station and the Faresaver x34 on to Malksham.

Colerne can also be accessed after hours by taking the x31 to Bath and then the 228 to Colerne

Zig zag bus will run from Newlands Road to Melksham Market Square at 12.15 and 13.15.
