

An online  
course to  
help parents  
communicate  
better with  
each other

# Arguing better

Disagreements are a normal part of life, and most couples argue from time to time. The way you approach these conversations can make a big difference to you, your partner, and your children.

*Arguing better* is a free online course to help you manage difficult conversations, avoid conflict, and improve things for your whole family.

## You will learn:

- Where stress comes from and how it can affect you.
- Ways to recognise stress and talk about it.
- How to support each other through difficult times.
- What causes arguments and how to stop them.

To access the course, you will need a smartphone, tablet, or computer, and a good internet connection. It's FREE to use, so you'll just need to create an account with a username and password.

- *Arguing better* is designed for parents who want to learn healthy ways to deal with stress and conflict.
- The course is online so you can go through it at your own pace.
- You can do it all in one go or save your progress and come back to it later.
- The course will take about 40 minutes to complete, so it's best to give yourself enough time and space to reflect.

An online course for separating parents to help manage conflict and minimise the impact on children

# Getting it right for children

When parents are separating or separated, children can often get caught in the middle.

*Getting it right for children* is a free online course designed to help you parent co-operatively. It can help you to develop positive communication skills, so that you can sort out disagreements and find solutions together.

## You will learn:

- How to stay calm and listen as well as talk.
- Why it's helpful to see things from a different point of view.
- What to do to stop a discussion from turning into an argument.
- Skills for finding solutions and making compromises.

To access the course, you will need a smartphone, tablet, or computer, and a good internet connection. It's FREE to use, so you'll just need to create an account with a username and password.
