

The Corsham School – Corsham6th

Student and 6th Form Agreement

Corsham6th welcomes students to the 6th Form and recognises the choice they have made to continue their education at The Corsham School. This agreement is an important commitment between the student, parents and Corsham6th and is a fundamental part of the enrolment process.

Our Expectations

The Corsham School has the highest expectations of Corsham6th students and expects,

1. All students in Year 12 **and** 13 to attend a daily Tutorial Session.
2. 100% attendance is expected to **ALL** Lessons, Tutor times and Core/EPQ Sessions. Attendance records will allow for legitimate reasons for absence, such as long-term illness, University visits, etc as well as exceptional circumstances.
3. Full engagement in Enrichment Activities that are offered at Corsham6th.
4. Make a positive contribution to the Corsham6th and whole school community.
5. All year 12 and 13 students are expected to work independently out of the classroom. A minimum of 6-8 hours each week per subject is expected. This should include self-directed study **and** prescribed homework tasks.
6. All C6th students should ensure that they keep a log of all enrichment and community volunteering engagement. This will be done via Unifrog or as instructed.
7. Corsham6th Students should demonstrate the Corsham Character Values (Intellectual Values, Moral Values, Performance Values and Civic Values) in all they do.

Developing independence through positive learning experiences and being commitment to a rewarding education experience is a full-time responsibility. It is uncommon but students can be placed on Cause for Concern contracts if they are not meeting expectations. This will be communicated to parents/carers.
