

## **Driving to Evening Events such as Parents' Evenings**

If you have to drive to school please follow the advice outlined below.

- The school has a signed one-way system. You may only drive through the school from the Tynings entrance
- Understand that the school site has limited parking facilities and a relatively narrow road, please don't park/stop on yellow lines. This can cause immense congestion and increase danger to our students.
- No parent/carer vehicles on site when buses arrive, between 7.45 and 8.45 in the morning and 2.45 to 3.15 pm.
- Help us in ensuring that all areas of the school are always accessible (to the emergency services for example) particularly when there are big events such as Parents Evenings. Poor parking has compromised this access on one or two occasions in the past.
- Please consider the extra time that you might need to walk that little bit further from school to allow you to attend busy evening school events and avoid congestion/parking problems.
- All evening visitors to the site should respect double yellow parking restrictions and traffic cones.
- Understand our parking limitations and always leave in plenty of time for school events. Always park sensibly, even off site in the Springfields car park and beyond if no other legal parking is available.

I hope that you will help us to continue to provide a safe and secure environment for our students and the wider Corsham School community.
